

# THE GOSPEL OF JOHN

## JESUS IS PASSING BY | JOHN 9:1-12

**Mike Woods, Senior Pastor | June 28th, 2020**

The central theme of the Christian faith is “God became what we are as a human being so that we can understand more clearly what God is.”

**I. GOD IS \_\_\_\_\_**

He has been passing by through the centuries. He passes by our lives and our doors today.

**II. GOD IS \_\_\_\_\_**

He is all-powerful. The angel to Mary, “For nothing will be impossible with God” (Luke 1:37).

**III. GOD IS \_\_\_\_\_**

He knows what we need before we ask. He knows all about us.

**IV. GOD KNOWS WHEN WE ARE \_\_\_\_\_**

“As He passed by, He saw a man blind from birth” (John 9:1).

**Discussion Questions:**

- 1. Why did Mike say that the Incarnation is the central theme of the Christian faith?**
- 2. The “Omni’s” were mentioned in the sermon. What do these mean: Omniscient, Omnipresent, Omnipotent?**
- 3. Share a time when you knew Jesus was present with you.**
- 4. Have you ever wondered when observing or reflecting on a tragedy, “who sinned, the victim or his parents?”**
